EMT SWEEPS

CDT Underground, LLC. Supplies EMT Sweeps which are made from the same quality material as EMT conduit for ease of bending. The interior has a smooth continuous surface finish for fast wire pulling. EMT Sweeps are in compliance with UL 797 and manufactured in accordance with ANSI C80.3.

EMT sweeps are available in sizes 1/2" to 4" with 90° and 45° bends in standard and special long radius and is packed in boxes or pallets.

Markets served by CDT include CATV, telecommunications, utility and DOT.
